Ours Was Funny ~
2 Easter Chickens that actually lived
last year traveled to MC Condo away
from Ivan — This year those 2 Chicks
decided to go with us to Panama City Florida
No pets in Mold or pay 50 or extra for
them ~ we had the Chickens.
They were on balcony and flew in 75 MPH
just to our neighboring balcony —
That person called our room and
said "Hey," your Chickens are on
our balcony" ~
My son went over, knocked on door
and said "Sheilla, I've come to get
my Chickens and sorry to bete
the man said ok, come on
but watch out for my Pig —
The little Chicks are now Reserved
Donna and Katrina
God Bless our Coast and
Peace — to all
